**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not cater to large corporations like USTelecom and please do not cut out local competitive internet providers! Competition is very important to keep prices down and to keep quality and speed high. I currently have fiber internet/phone which is much faster and less expensive than my previous DSL.
